

PREPARING THE NEXT GENERATION FOR A DIGITAL FUTURE | ACCENTURE

VIDEO TRANSCRIPT

00:00
What ways does your brain work?
00:05
Are you a thinker
00:09
and a tinkerer?
00:13
A take it apart-er,
00:15
'can't wait to start'-er?
00:19
Do you like diving in,
00:21
or planning every step
00:25
Do you dream it, then do it?
00:31
Sketch it out or talk it through
00:34
Lone wolves
00:36
and leaders of the pack
00:38
Makers,
00:39
creators,
00:41
connectors,
00:42
storytellers.
00:44
It takes all sorts of people
00:46
ideas and technology

00:49
to change the world.
00:52
And that's what we do together at Accenture.
00:56
We've helped hard of hearing students
00:57
feel music,
00:58
used AI to help save coral reefs
01:01
and helped the girl scouts keep track
01:02
of their cookie sales.
01:04
We're using technology,
01:06
and imagination
01:08
to do amazing things together.
01:12
And we all started off
01:13
dreaming, just like you.
