

GET READY FOR THE #NEXTTRAVELADAPTATION

VIDEO TRANSCRIPT

In this post-pandemic era, travel companies are grappling with a dramatically different travel landscape where uncertainty is the rule, not the exception.

Growth now calls for bold action and a courageous mindset.

The Next Travel Adaptation is the next adventure on travel's epic journey to growth. It's about evolving, taking stock, and adjusting operations to respond to the industry's uncertain landscape.

It's about being brave enough to leave behind the old and opening your mind to the new.

How to be a provider of choice and offer consumers a good product with the assets travel companies have available?

The way to make traction is to continue moving.

Today is the day to prepare for this next phase of "beyond."
