

INNOVATING IN THE CLOUD

VIDEO TRANSCRIPT

As the world rapidly evolves, so does Accenture. We accelerate, embrace, change, and seize opportunity, removed 95% of our applications to the Cloud. And this journey took us further than we ever imagined, were faster and more agile, more sustainable, efficient, and more secure. We saw a 99% decrease in provisioning time and reduce carbon emissions by 200 plus metric tons. But we're still moving, still creating value. Because it's not just about being in the Cloud. It's how you do it. Our culture shifted. We embraced data. We're now more collaborative than ever and more flexible with over 0.5 million Accenture people working anytime, anywhere. Today where cloud-native. We can give you our insights and expertise and accelerate you towards limitless possibilities.
