00:14
We are the Visionaries do you know the
00:17
Leading cause of human mortality for
00:19
Parasitic diseases next to Malaria's snail
00:22
Fever is amoebiasis so how would you
00:25
Immediately identify that pathogenic
00:27
From non-pathogenic based on their
00:29
visual characteristic the solution that we
00:31
Would like to approach is through the
00:33
Power of artificial intelligence we are
00:35
Currently developing a desktop
00:36
Application that is easy to use for
00:38
Medical technologies we believe that the
00:41
System can achieve faster analysis and
00:43
Better results compared to the
00:45
Traditional system
