

THE IMPOSSIBLE BEDTIME STORY

VIDEO TRANSCRIPT

I had it.
I try to
you be around me. You're gonna know.
She can't read.
I get frustrated at myself because it's really embarrassing and is hurtful.
I want it better for my kids.
I want them to be somebody.
I've been having a hard life.
I've been having a hard life. And,
I think I really just want to learn how to read so I can help my kids.
When I was in pre-K, they used to put me in a room because I was a hyperactive child.
So they used to put me in a bathroom to the bell rung. It was hurtful. I cried a lot.
I cried many a days in that bathroom looking at the wall.
When I dropped out of school.
I couldn't get a job because I didn't know how to read to fill out the application.
I didn't even know how to spell my application.
I wanted better for my kids because I want my kids to be able to read and write.
Fill out an application because I know how hard it is without reading and writing.
So I'm like, no, I got to help them.
Just hit play.
It should be a clone of your voice reading The Secret

Garden.
Oh, okay.
In each century since the beginning of the world, wonderful things have been discovered.
In the last century.
More amazing things were found out than in any century before.
In this new century,
hundreds of things still more astounding will be brought to light.
At first,
people refuse to believe that a strange new thing can be done.
Then they begin to hope it can be done.
Then they see it can be done.
Then it is done.
And all the world wonders why it was not done centuries ago.
Yes. That sounds like we hear myself read those big words.
Here am. I said.
That's how I want to read one day.
That is how I want to read.
Because how I read is not like that.
And that's what I want.
This is what I'm pushing for. It.
This a lot of people out there like me.
They don't know how to read.
Maybe they'll say, well, if she can do it, I can do it.
