

ACCENTURE SECURITY CARRERS

VIDEO TRANSCRIPT

TRANSCRIPTION

How will your career impact the world?
Security breaches are getting smarter,
stronger and more devastating to
industries worldwide.

We are looking for passionate, creative people
to help tackle some of the biggest cyber
security threats facing us today.

Innovative, out-of-the-box thinkers who
want to outmaneuver cyber criminals and
turn ideas into reality.

At Accenture security, you can make a
real difference for clients with our
holistic solutions that protects their
entire value chain.

You'll collaborate with the brightest minds in
security and become a trusted partner to global
organizations in boardrooms control rooms and
everywhere in between.

You'll spend your days out innovating
attackers with our next-gen tag from
biometrics an advanced AI to machine
learning and predictive analytics.

Helping to change the future of cyber
Security.

Along the way we'll support you, give you
training and opportunities and
unlock your own unique strengths and
Capabilities.

We believe in the power of
diversity and a perspective that each
individual brings.

With over 5,000 security specialists we help
over 330 clients across 67 countries with access
to world-class resources.

The opportunities are limitless so bring your
intellect, bring your passion, bring your ideas.
Together we'll create a safer smarter future for
yourself and to make a difference.
