

About our internship program

Student Leadership Conference

Gain advanced leadership skills at our event for rising senior interns.

All-access Accenture

Learn how to navigate Accenture at this leadership course for rising sophomore and junior interns.

Learning series calls

Listen to Accenture executives talk about topics, from business areas and career paths to professional development advice.

Analyst day of service

Volunteer for a day with other interns and employees at local nonprofits and community organizations.

Buddy program

Pair up with a mentor who will provide guidance, support and insight into “the Accenture Way.”

Fun local outings

Get to know the city you’re interning in through planned events with your fellow interns.
